

i GET IT

by Gary Pailer

God is the sower, His Word the good seed
So the story goes.
Our hearts are the field that harden or yield
Thirty, sixty or one hundred-fold.

Chorus:

**Good soil, good seed;
No rocks, no weeds—I'm growing!
I GET IT!
Good soil, good seed;
No rocks, no weeds—I'm growing!
I GET IT!**

Worry and greed are rocks and weeds,
Jesus told us so.
Weeds and rocks have got to go.
Throw 'em out so God's Word will grow.

Repeat Chorus twice

**I GET IT!
I GET IT!
I GET IT!**
